

ENTREPRENEURSHIP – KEY TO SUCCESS

DANUBE DELTA

- ✚ In our country meet all forms of relief respectively : sea, delta, plain hills and mountains.
- ✚ I started the presentation with Delta with a few representative images of the Danube Delta.

HOUSE OF THE PEOPLE

- ✚ Another important objective of Romania is the House Of The People second largest in the world- measures 270 m at 240 m, 86 m high.
- ✚ Here the parliamentary activity takes place, the building being also called the Palace of Parliament.

PELES CASTLE

-  Peles Castle is a palace from Sinaia, built between 1873 and 1914. Built as the summer residence of the kings of Romania, the building is currently owned by the Royal Family of Romania and houses the Peles National Museum.
