RE: Invitation Romanian students and teachers

INVITATION LETTER

IES San Isidoro in Cartagena (Spain) would like to invite teachers: Mrs. Diaconescu M. Gheorghita and Samoila Mioara and students: Dragomir Maria Emilia, Veverita Elena Ioana, Dinescu Vasile Ciprian and Huzui Constantin to come to our school between 21st and 25th January 2019.

During this period, while participating in the project "Entrepreneurship as the key to success" students and teachers from each partner country will exchange information in international groups (from Germany, Poland, Italy, Bulgaria and Spain - who are also participating in project), taking part in exercises, presentations, seeing places of interest and experiencing cultural activities.

IES San Isidoro has arranged housing facilities and all activities will be guided and coordinated by professional teachers from the afore mentioned school.

Your Sincerely,

Headmistress

Coordinator of the project
